Commitment Statement from the Mathematics Associations of Australia

This Commitment Statement was developed on Kaurna Yerta (Kaurna Country). We pay our respects to Kaurna Yerta and Elders past and present. The artwork in the Commitment Statement depicts traditional Tarntanya (Adelaide) and Mikkawomma (Adelaide Plains).

Our responsibility is to drive a cultural shift to make a systematic difference in mathematics education for Aboriginal and Torres Strait Islander learners. We commit to:

- **Truth-telling which recognises the past and builds capacity for the future.**
- **Building relationships by listening to and learning from and with Aboriginal and Torres Strait Islander Communities.**
- **Creating sustainable partnerships based on trust and respect.**
- **Leading and supporting culturally responsive practices.**
- **Advocating for a shared understanding of success.**

In doing so, we agree to be unwavering and accountable in actioning this commitment to achieve positive outcomes for Aboriginal and Torres Strait Islander learners.
